Dear Reader,

Welcome to *the Information Resource Center Newsletter*, intended to serve as a guide to all patrons. Anyone with an interest in the United States is welcome to visit the IRC, but only members are allowed to borrow materials. To become a member you must be a high school graduate and a resident of the Rangoon municipal area. Applications for membership are accepted on Saturdays. There is an annual processing fee of 500 kyats for all members.

Members may borrow one book for two weeks and either one video or one audiotape for one week.

The IRC has a collection of books, periodicals, U.S. government documents, and videotapes focusing on U.S. society and culture, government, economics, business, language and literature, and the environment. A collection of educational advising books and university catalogs is also available. In addition to these resources, the IRC has a collection of CD-ROMs on various topics including the ProQuest General Periodicals Ondisc collection from UMI, which provides access to approximately 500 journals in full text and another 700 titles indexed and abstracted. The ProQuest holdings are from 1988 to the present and are updated monthly.

We offer a discounted monthly ProQuest service to major institutions. The monthly subscription fee for each institution is 3,500 kyats. These institutional subscriptions include monthly mailings of the table of contents of periodicals identified by the institutions, and the subsequent printing of the full text of articles requested by the institutions, up to 250 pages per month.

The IRC distributes brochures on registering for the TOEFL and other standardized tests such as the GRE and the GMAT. Practice Test Books (with or without audiotapes) are provided for study in the IRC but cannot be checked out.

We provide audio cassette players for listening to TOEFL comprehension exercises and VOA Special English cassette tapes. Because of the high demand for the cassette players in the IRC, patrons are allowed to bring their own Walkman cassette players.

The IRC has a staff of five to assist you. IRC is open from 9:00 AM until 4:00 PM, Tuesday through Saturdays and until 7 P.M. on Thursday evenings.

This newsletter will appear quarterly. Please let us know how we can make the Information Resource Center more useful to you. If you cannot visit, you may call us at Phone: 223106/223140 or fax us at 221262 with your reference and research questions.
